ABOUT US

PT Karunia Tani Utama is a company duly organized and existing under the laws of the Republic of Indonesia.

Our Company involved in trading high-quality agricultural products for global market. As an enthusiastic and dedicated company, we focus on connecting outstanding harvests from fertile fields.

As a company, we are committed to maintain the best quality of our spices and herbs, and collaborating with local farmers from various regions in Indonesia to create a healthy and sustainable ecosystem of spices and herbs. Thus, we can also help improving the quality of life of local farmers.

VISION

Our vision is to become a key player in promoting agricultural sustainability and bridging natural wealth with global needs.

MISSION

- 1** We aim to provide the international market with high-quality agricultural products that can meet the ever-increasing demand for food.
- 2** Supporting local farmers by helping them access the global market and increasing their income.
- 3** Building the image of our agricultural products as a symbol of quality, safety, and sustainability.
- 4** Providing high-quality spices with preserved authenticity from trusted sources.

CORE VALUE

Quality

Providing the finest agricultural products while maintaining strict quality standards from the field to the consumer's table.

Innovation

Encouraging product innovation (in cultivation, production, and distribution) to meet the ever-changing market demands.

Partnerships

Building sustainable partnership relationships with business partners, suppliers, and customers. We believe that strong cooperation is the key to mutual success.

Integrity

Placing integrity as the primary principle in all business relationships and interactions. We are committed to always acting with honesty, consistency, and a strong sense of ethics.
